Introductions and Welcome

Open items:

- Develop a plan to obtain data from John Muir Health and Kaiser Medical Center Walnut Creek to gain insights into homelessness from a hospital perspective.
 - Work with the John Muir Community Health team (Huda Assaf and Ashley Jackson) and identify a contact person at Kaiser Medical Center.
 - Determine the specific data required and establish a timeline for data collection.
 - Discuss potential challenges and strategies for overcoming them in obtaining the data.
- Enhance data analysis by consolidating information from various sources, including H3, CORE, Walnut Creek PD HOP team, and Trinity Center to gain a comprehensive understanding of the resources needed to support service delivery.
 - Identify additional service providers or organizations whose data can contribute to a holistic analysis.
 - Define a structured approach for integrating and analyzing the combined data.
 - Set timelines for data collection analysis and reporting.
- Explore opportunities for collaboration or data sharing among service providers and the City of Walnut Creek.
- Discuss how the findings can be utilized to identify gaps and improve service delivery and resource allocations.
